所沢現況図 No.26

This map illustrates the 53 designated green production areas within the Shuanghuai River Basin. The areas are distributed across the basin, with labels indicating their approximate area in hectares. The map also shows the surrounding urban environment, including streets and buildings.

Key features include:

- Designated Areas:** 53 green production areas, each labeled with a number and its approximate area (e.g., 第32号生产绿地地区 约0.24ha).
- Scale:** A scale bar at the bottom indicates distances from 0 to 200 meters.
- North Arrow:** A north arrow is located in the top right corner.
- Geographic Context:** The map shows the Shuanghuai River and its surrounding urban environment, including streets and buildings.
